16511	024595-16511-1	32	2½	Bulk (50)	16
16512	024595-16512-8	36	2½	Bulk (50)	21

Manufactured from strong steel tubing for extra-long life and are easy to use.

Painted bright red to prevent rust.

Heavy steel plugs for maximum driving effect.

Great for home, farm, and ranch use.

Wire Stretcher / Splicer

Part Number	UPC #	Standard Pack	Approx. Wt. Ea. (Lbs.)
12372	024595-12372-2	1	8

Fence Stretcher equipped with extra strength handle and double rivets. Makes stretching and splicing fence materials an easy chore. Heavy duty construction, while weighing only 8 lbs.

Make a loop at both ends of wire and attach stretcher. Apply tension and splice in extra piece of barbed wire. Stretches post-to-post.

Finish: Painted red.

Wire Stretcher

Part Number	UPC #	Standard Pack	Approx. Wt. Ea. (Lbs.)
12365	024595-12365-4	1	4

Used for stretching and repairing barbed or smooth wire, post to post, tree to tree. Hardened steel wire grip with swivel and 36" handle. Accommodates 8 gauge wire or smaller. Fast one man operation.

12365

Wire Grips

Wire Grips are made of durable malleable iron, with positive gripping surface. Used for stretching all types of wire. Painted red.
