(optional for 3/4 and
1-1/2 ton units)**

**3/4 and 1-1/2 Ton
Lower Hook Block Assembly**

3 Ton Lower Block Hook

**Load Limiter
(Optional)**

WARNING
 USING "COMMERCIAL" OR OTHER MANUFACTURER'S PARTS TO REPAIR THE CM SHORT HANDLE PULLERS MAY CAUSE LOAD LOSS.
 TO AVOID INJURY:
 USE ONLY CM SUPPLIED REPLACEMENT PARTS. PARTS MAY LOOK ALIKE BUT CM PARTS ARE MADE OF SPECIFIC MATERIALS OR PROCESSED TO ACHIEVE SPECIFIC PROPERTIES.

ORDERING INFORMATION

The following information must accompany all correspondence or repair parts orders:
 1) Short Handle Puller capacity
 2) Serial Number - this is stamped on the Puller frame

For parts orders also specify:
 1) Quantity desired
 2) Key number of part
 3) Part Name
 4) Part number of the part

When ordering replacement parts, consideration should be given to the need to replace other items, (bushings, fasteners, etc.) and items that may be damaged or lost during disassembly or just unfit for future use because of deterioration from age or service.

Parts should be ordered from CM's Master Parts Depots conveniently located throughout the United States and Canada. Refer to the back of front cover of this manual to locate the Master Parts Depot nearest you.
